# Lead-time External Doorsets reduced to within 6 weeks\*

With improvements in machinery, efficiencies and staff numbers we are pleased to confirm that our capacity for external doorset production has increased steadily all year. This has contributed to the record sales month we recorded for May 2019, the highest in the company's 37 year history. To find out how we can help you please call your Field Sales Representative or [click here](#) to contact us.

**"Student Members are the Future!"**

That was the message our Technical & Marketing Director, Amanda Haley, gave at the recent Institute of Architectural Ironmongers AGM earlier this year. Amanda is the

## Recertification Approved

Earlier this month BM Trada's Auditor visited us to carry out their annual three day audit under the ISO9001:2015 Quality Management System and ISO14001:2015 Environmental Management System. This looks at many aspects of our business processes and focuses on Continuous Improvement. We are pleased to announce that the auditor recommended us for continued certification under the scheme. Well done all! Click [here](#) to see our certification details

## They've got it off to a Tee!!

A team of golfers headed up by our Sales Director, Paul Claydon, on behalf of the company, set out to compete in May in the North London Club's Charity Day in aid of Alzheimer's Research. In spite of tough opposition they only went and won the day! Paul (2nd left) is shown here with the trophy looking rather smug! Well done Paul and Team!

### Well Done, Joanne!

Our China Sourcing Representative, Joanne Xu, became the first RegAI to qualify in China. She completed the three year GAI Diploma course in 2014 and since then has joined the RegAI CPD programme where she collected points to reach her [Registered Ironmonger](#) status. A magnificent achievement.
